

COMMUNITY ONE FOUNDATION STEINERT & FERREIRO AWARD

Nomination Information and Guidelines

The History

The Steinert & Ferreiro Award - Canada's premiere recognition of leadership in the LGBTTIQQ2S community - was launched in 2005 through a bequest from the estates of Jonathan R. Steinert and Fernando Gumercindo Ferreiro. Community contribution and leadership are at the heart of the LGBTTIQQ2S community, with leaders often working quietly to achieve growth, understanding and change. The Steinert & Ferreiro Award celebrates these unsung heroes of our community.

The Award

An individual will be presented with a commemorative award and a \$10,000 cash prize. The recipient must agree to accept the award in-person and be publicly acknowledged for their contribution.

Eligibility

All individuals who have made a significant contribution through the arts and sciences in promoting the understanding and acceptance of lesbian, gay, bisexual, transgender, transsexual, intersex, queer and two-spirited communities in the Greater Toronto Area are eligible to be nominated. The arts and sciences may include the humanities (literature, philosophy, etc.), the social sciences (law, psychology, politics, history, social work, community development, etc.), fine arts (music, theatre, film, etc.), and physical sciences (engineering, biology, medicine, etc.).

Unsuccessful nominations can be eligible for consideration for the following year's award by checking the appropriate box at the bottom of the cover sheet.
