The History

Jonathan R. Steinert (left) and Fernando Gumerindo Ferreiro

Since 2005, the Steinert & Ferreiro Award has been Canada's premiere recognition of leadership in the 2SLGBTQ+ community.

Funded by a bequest made through the estates of Jonathan R. Steinert and Fernando Gumerindo Ferreiro, who passed away in 1990 and 1992, respectively.

As part of a legacy for him and his late partner, Mr. Ferreiro wished to recognize and honour individuals who made a significant contribution in arts and sciences to increase the understanding and acceptance of the 2SLGBTQ+ community. Mr. Ferreiro chose the Lesbian and Gay Community Appeal - now Community One Foundation - to carry out his wishes.

At the heart of this award is inspired leadership and selfless contributions to the 2SLGBTQ+ community. Many nominees are often working quietly to achieve growth, understanding and change, and Community One Foundation is proud to present The Steinert & Ferreiro Award to celebrate these unsung heroes of our community.
